AFRICOM MEDICAL WAIVER PROCESS

(All submissions should be digital and should include digital signatures)

1. Patient completes Administrative portion of AFRICOM Waiver request

2. Waiver is then submitted to Patient's Primary Care Manager (PCM) / Clinician (The medical provider completing the waiver form)

3. Clinician completes medical portion of waiver and digitally signs document

4. Waiver request is sent to patient's Commander for review and signature (This form should go to a commander ONLY as it contains HIPAA information)

5. Commander signs form and submits waiver to AFRICOM: africom.stuttgart.acsg.mbx.j004-force-health-protection@mail.mil

6. AFRICOM Tracks waiver. Waiver is sent to the Adjudicating Officer / CMD Surgeon

7. Once adjudicated, the waiver is returned to AFRICOM, the PCM and the patient with appropriate approval or denial of travel as requested
